LETTER FROM THE DIRECTOR

Hello Hockey Fans – Welcome to Sewell, NJ, for another thrilling weekend of NAPHL and T1ER Hockey! As we continue on with the 2024-2025 season, our 16th year of T1ER hockey, we are excited to present a schedule packed with elite-level competition. The T1ER League continues to stand out as one of the premier platforms in USA Hockey, featuring Tier 1 National Bound teams and boasting more players currently in the NAHL than any other Tier 1 league.

This T1ER East Showcase and NAHL Experience Weekend is an extraordinary opportunity for our players and is strategically aligned with two NAHL games where the Philadelphia Rebels will host the Maine Nordiques. This collaboration was designed to immerse players, coaches, and scouts in the full NAHL experience, offering a chance to observe NAHL organizations, facilities, players, and the pathway this league provides.

We are excited to welcome this weekend's T1ER and guest opponents to this event, which is not only a display of exceptional skill and competition but also a unique opportunity to connect with the NAHL atmosphere and process.

Thank you for joining us for this exciting weekend of hockey. We wish the best of luck to all the players, coaches, officials, and organizations participating in the showcase. Here's to a weekend filled with great games!

Best,

Dennis Vickers
Director of Player Personnel, NAHL
Director, NAPHL

OUR HISTORY

Celebrating its 16th season in 2024-25, the North American Prospects Hockey League is made up of three leagues: T1ER League (Tier 1), SHOW League (Tier I/ II), and the FALL League.

The NAPHL has established itself as one of the premier grounds for development and exposure. The success of teams on the National stage, as well as the success of NAPHL players at the next levels of hockey, is further proof that the NAPHL is redefining exposure and has elevated itself to one of the premier training grounds for development and opportunity.

In the last four years, no other USA Hockey Midget Tier I league has had more players play in the North American Hockey League than the NAPHL

TAP THE QR CODE FOR THE WEEKEND SCHEDULE!

On November 1st, the North American Hockey League (NAHL) officially released their tenders to partner organizations. A tender is a type of contract signaling a player's commitment to a specific NAHL team. Once signed, that team holds the player's rights within the NAHL, ensuring they cannot be recruited by any other NAHL team. Each team can issue up to ten tenders, with two exclusively reserved for T1ER players, pending any trades. The window to sign tenders is officially open, and players who sign will be ineligible for the 2025 NAHL Draft.

The NAPHL T1ER League continues to be the premier development path for players aspiring to reach the NAHL. During the 2023-24 season, 190 NAPHL alumni competed in the NAHL, with an additional 95 T1ER players drafted or tendered by NAHL teams.

Since November 1st, these 13 players have been tendered:

Biggy Coffee 18U:

Trevor O'Donohue, F
